

How to measure

Bench (*Traditional Park Bench*)

Important: Provided measurements should be exact to the item being covered and should not include any extra allowance. As standard, we add a tolerance of +25mm (1in) to width and depth ensure a comfortable fit. We do not add any extra allowance to the height.

Tip: Please Supply Photos

We recommend you include photos of the item we're covering so we can get a clear understanding of the project from the outset.

Required measurements
